We, Emhart Technologies certify that all items listed above and supplied on the above mentioned Purchase Order have been inspected and comply in every way with the relevant drawings and/or specifications in accordance with your requirements.

We further certify that all stainless steel inserts supplied on the above Purchase Order have been inspected and comply in all respects with the applicable drawings and with the chemical composition and physical property requirements of ASTM A-179.

In addition, these stainless steel inserts covered by Military Standards MS21208, NASM421208, NASM122076 thru NASM122275, NASM124651 thru NASM124850, MS9018 and Military Specification NASM5866 are certified to conform thereto.

We also certify that all Inconel inserts supplied on the above Purchase Order have been inspected and comply in all respects with the applicable drawing and with the chemical composition and physical property requirements of A57248.

We further certify that Tangitec® inserts are in conformance with NAS1130. Tangitec® is a registered trademark of KATO and Advance, Inc.

Merite Heel-Coil inserts are covered by the following Aerospace Standards MA3278, MA3280, MA3281, MA3329, MA3330, MA3331 and MA1565.

Emhart maintains a single standard of quality and the Quality Assurance Program has been designed to comply with the requirements of ISO 9001 - ISO/TS 16949.

We further certify that the parts supplied are free from mercury contamination and that mercury in any form, including mercury thermometers, was not used in manufacture or testing of the parts.

The Quality Assurance Program, inspection records, chemical composition and physical analysis reports and special process certification are available for your review at our plant in Danbury, Connecticut at any time during normal business hours.
